CERTIFICATE
OF COMPLETION

Qarir Generator

THIS IS TO CERTIFY THAT

Ilham Brilliandi

successfully completed the intensive course of
Data Science Camp - Batch 29

conducted by **QarirGenerator** with

Final Project : **Proportion of Employee Model**
Grade   : **B+ (Upper Intermediate)**

A	Advanced Satisfactory	96 -100
B +	Upper Intermediate	86 - 95
B	Intermediate	79 - 85
B -	Early Intermediate	71 - 78
C	Beginner	60 - 70

Managing Director of QarirGenerator

GENERATING LEADERS OF TOMORROW

Qarir Generator

MODULES THAT HAVE BEEN COMPLETED ON THIS CAMP

Python Programming
1. Introduction Python
2. Python Fundamental
3. Logic, Comparison, Condition
4. Looping and Data Type
5. Function, Lambda Expression & Algorithm Training

Data Analysis
1. Numpy Package and Pandas Package
2. Pandas Package: Data Frame & Various Methods
3. Data Analysis: Basic Data Handling & Visualization
4. Data Analysis: Basic Statistic
5. Data Analysis: SQL Language
6. Case Study: Data Exploration

Machine Learning
1. Machine Learning Fundamental & Data Preprocessing
2. Supervised Learning 1: Regression & Evaluation
3. Supervised Learning 2: Classification & Evaluation
4. Unsupervised Learning: Clustering
5. Model Tuning and Evaluation
6. Case Study: Develop ML for business case
